

Welcome

Calling all Small Businesses Do you need someone to:

- talk to,
- get advice,
- discuss your future. If so, then let us help you. We offer a comprehensive range of services that can help the small to medium size business. All our advisors have previous commercial experience and can call on a great wealth of knowledge from personal experience. Whether you want someone to come into your business and assist on a day to day basis to help with a project etc, or someone just to talk to on the telephone.

We can assist in the following areas:

- Business Turnaround
- Business Startup
- Business Recovery
- Business Development
- Health & Safety
- Communications
- Sales & Marketing
- Training

and many other areas.

All our team members have had many years in business and have specialist areas of expertise, of which they are happy to share with you.

No issue is too small, maybe you just need somebody to talk with on the phone to clarify a point, or maybe you need a team of people to help with a major project within the business. We can help with all issues.
